BOSTON - PREMIUM XL WPC BOARD

- Combines with aluminium and decorative boards
- UV-resistant coextruded board
- Unique brushed pattern
- Rich and subtle colors
- Unsurpassed durability, maintenance-free

Premium boards, large format

PREMIUM XL interlocking boards are made of co-extruded wood composite. They are UV-resistant and come with a 20-year guarantee against staining and discoloration. They are reminiscent of wood, with all its nuances. They are also resistant to insect and fungal attack. PREMIUM XL boards are available in three colors: Dark Grey, Light Grey and Teak. They can be combined with OPALE boards and decors. We recommend fitting every fourth board with an 11×20mm aluminium reinforcement.

Environment

GHG EMISSIONS	2.01 (GES)
RECYCLED MATERIAL	Wpc
END OF LIFE RECYCLABILITY	95 %
CERTIFICATION	FSC®-certified

Characteristics

Cuttable	oui	Way of fixation	Horizontal installation
