— Keruing Tropical Hardwood

— Durability class 3

— FSC 100% certified

— High-end assembly, rhombus profile

— Lock included

An exotic fence gate

Keruing wood, appreciated for its durability and resistance, is ideal for fences. Its dense and hard composition makes it resistant to weather and insects. Its reddish-brown color brings aesthetic warmth and blends perfectly with the garden environment. The strength and beauty of Keruing make it an excellent and durable choice for protecting the exterior.
