

COBRA® D-LOCK (4 SQM KIT)

- Universal fixing
- Complete kit
- Ensures ventilation
- Boards from 20 to 28 mm thick
- POM (polyoxymethylene)

Universal, invisible fastener for deck boards

Universal and invisible fixing kit for decking boards from 20 to 28 mm thick, and 90 to 150 mm wide. Fixing system adapted for non-grooved decking boards. Ensures ventilation under the board, compliant with DTU 51.4 requirements. Robust and resistant to moisture and extreme temperatures. Made of POM polymer material: polyoxymethylene. Pre-drilling recommended.

Environment

LIFETIME	> 20 years
GHG EMISSIONS	2.01 (GES)
RECYCLED MATERIAL	Polyamide
END OF LIFE RECYCLABILITY	0 %

COBRA® D-LOCK (4 SQM KIT)

Characteristics

Quantity per Sales Unit	110
Main material	Polypropylene
Finishing	Rough
Stainless steel grade	AISI 304 / A2
Deck board type	Universal
Main material level 2	Metal
Type of screw recess	Torx T20
Screw length (mm)	25
Screw diameter(mm)	4
Prepositioned screw	non

Selfdrilling screw	non
Removable	non
Screwdriver bit provided	non
Fasteners
