

COBRA® INOX SCREWS 5X50MM (200PCS)

- Highly penetrating cutting thread
- Produced from stainless steel A2 (AISI 304)
- Incl. TORX bit
- TORX footprint

Self-drilling stainless steel wood screws for easy installation and firm fixing

AISI304 stainless steel screws for 21 to 23 mm wood decking. Sharp thread for better penetration into the wood. Tapered tip to reduce splitting of the wood. Knurled head to facilitate drilling of the screw through the wood. Deep Torx footprint for a secure hold and ease of use.

Environment

LIFETIME	> 20 years
GHG EMISSIONS	6.885 (GES)
RECYCLED MATERIAL	Stainless steel
END OF LIFE RECYCLABILITY	0 %

COBRA® INOX SCREWS 5X50MM (200PCS)

Characteristics

Quantity per Sales Unit	200	Screwdriver bit provided	non
Main material	Stainless steel	Fasteners	
Stainless steel grade	AISI 304 / A2		
	8		
Screw head type	Countersunk head		
Type of screw recess	Torx T25		
Thread type	Partial thread with knurl		
Screw length (mm)	50		
Screw diameter(mm)	5		
Selfdrilling screw	non
