LIGHT GREY

◆ High-quality wood composite boards

PREMIUM interlocking boards are made of co-extruded wood composite. They are UV-resistant and come with a 20-year guarantee against staining and discoloration. They are reminiscent of wood, with all its nuances. They are also resistant to insect and fungal attack. PREMIUM boards are available in five colors: Dark Grey, Light Grey, Teak, Ipé and Cedar. They can be combined with OPALE boards and decors. We recommend fitting every fourth board with an 11x20mm aluminium reinforcement.

◆ Environment

LIFETIME	> 20 years
GHG EMISSIONS	2.01 (GES)
RECYCLED MATERIAL	wpc
END OF LIFE RECYCLABILITY	95 %
CERTIFICATION	FSC®-certified

◆ Characteristics

Cuttable	oui	Density (kg/m3)	1170
