

BOSTON - RHOMBUS 155 ALUMINIUM BOARD

- Preserved privacy
- Reduced wind load
- Contemporary design
- Qualicoat-certified powder coating
- Colors grey RAL7016 or black RAL9005

Grey RAL7016 Black RAL9005

The louvered effect: lightness and privacy preserved

The Rhombus 155 Aluminum boards provide total privacy and thus provide protection from prying eyes.

The fine openwork line between the board filters the sun's rays and gives a light effect to the fence.

The boards can be used in solid panels but also mixed with composite or Opale aluminum slats depending on the desired customization.
